Responses

1 Thank you for participating in this survey! It should take you no more than 5 minutes to answer all of the questions. We want to assure you that all of your answers will be treated in strict confidence. Your identity will never be associated with any of your answers, and no responses will be reported individually. Thank you again for helping us with this survey!

Message

2 How much do you agree or disagree with the following statement: "The Covid-19 Vaccine is safe and effective"

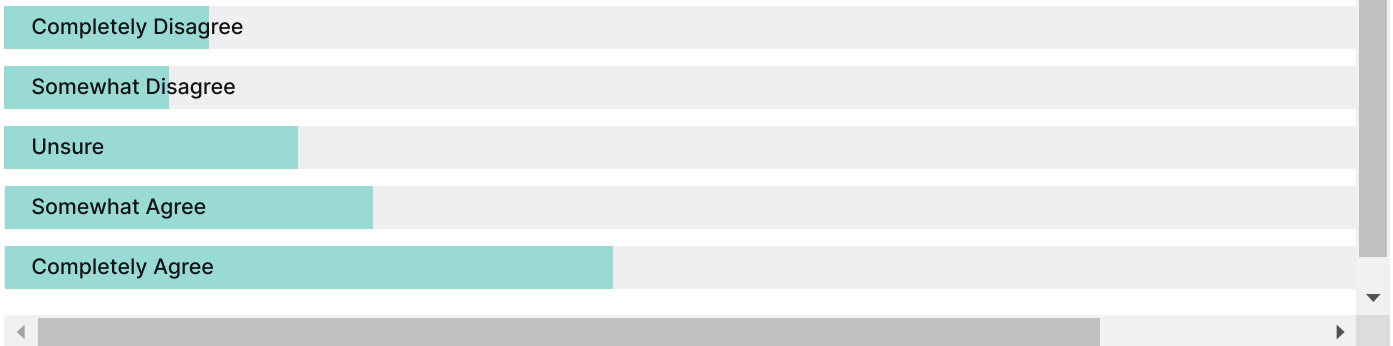

Multiple Choice Responses: 1001

Compare against demographic

Compare against Question

ⓘ Simplify data:

3 Have you received any vaccinations for COVID-19?

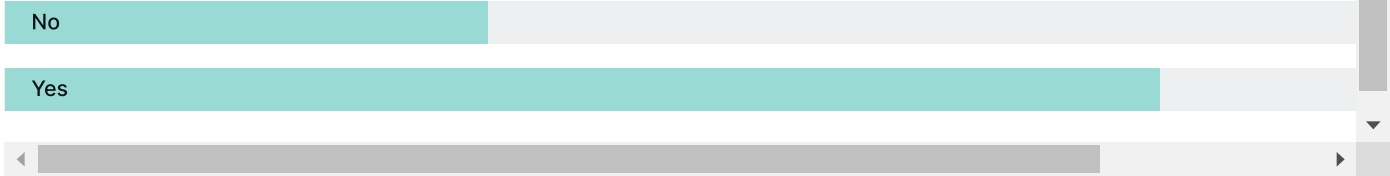

Multiple Choice Responses: 1001

Compare against demographic

Compare against Question

ⓘ Simplify data:

4 How many doses of the COVID-19 vaccination, including boosters, have you received?

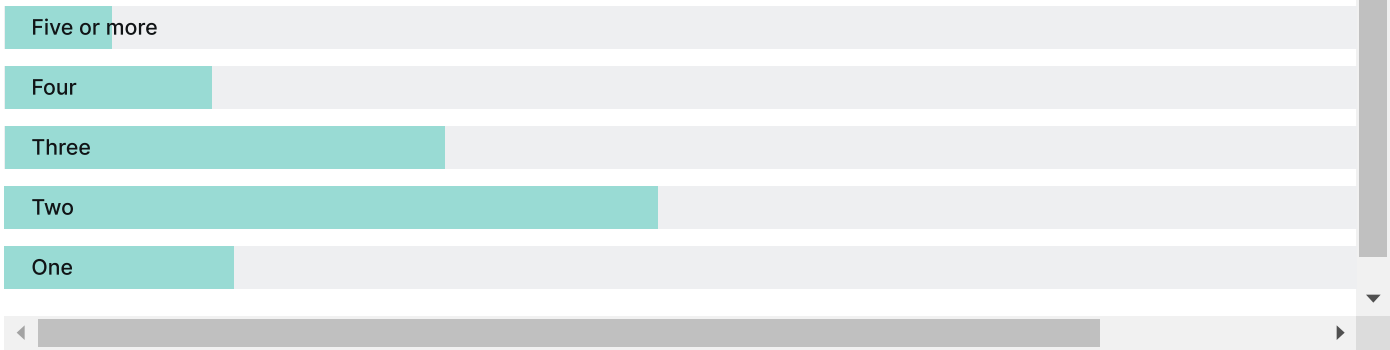

Multiple Choice Responses: 706

Compare against demographic

Compare against Question

Simplify data:

5 Do you have someone in your household (including yourself) who was injured by the COVID-19 vaccine?

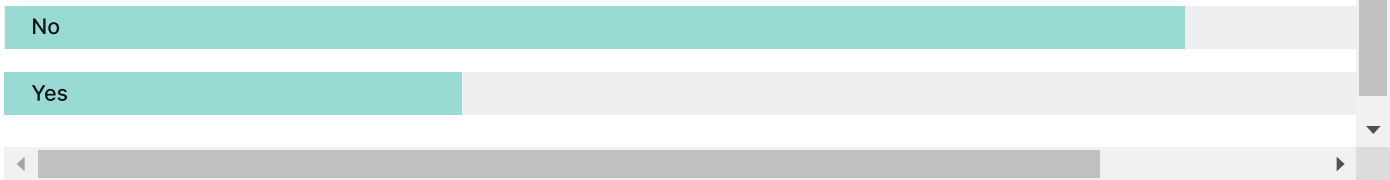

Multiple Choice Responses: 706

Compare against demographic

Compare against Question

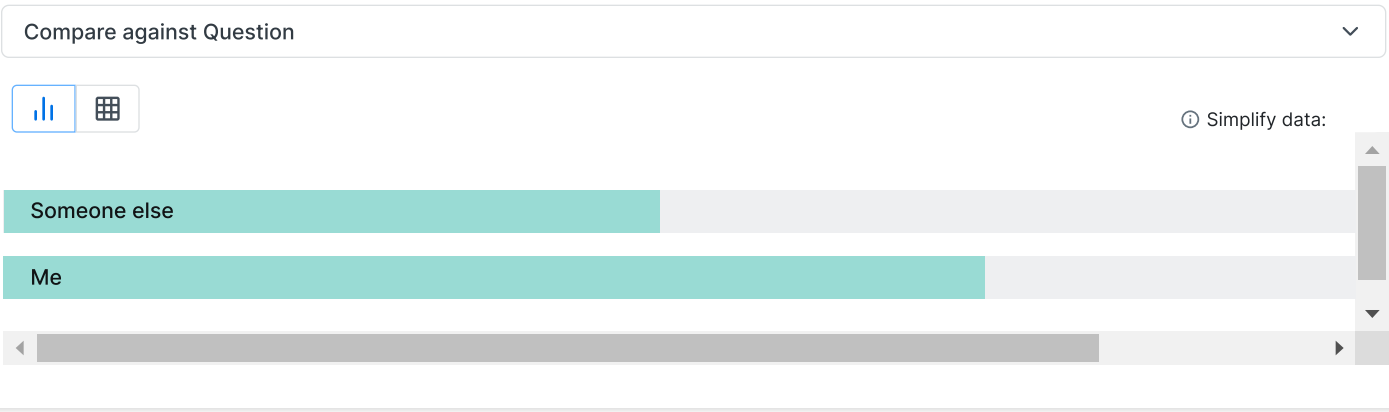

Simplify data:

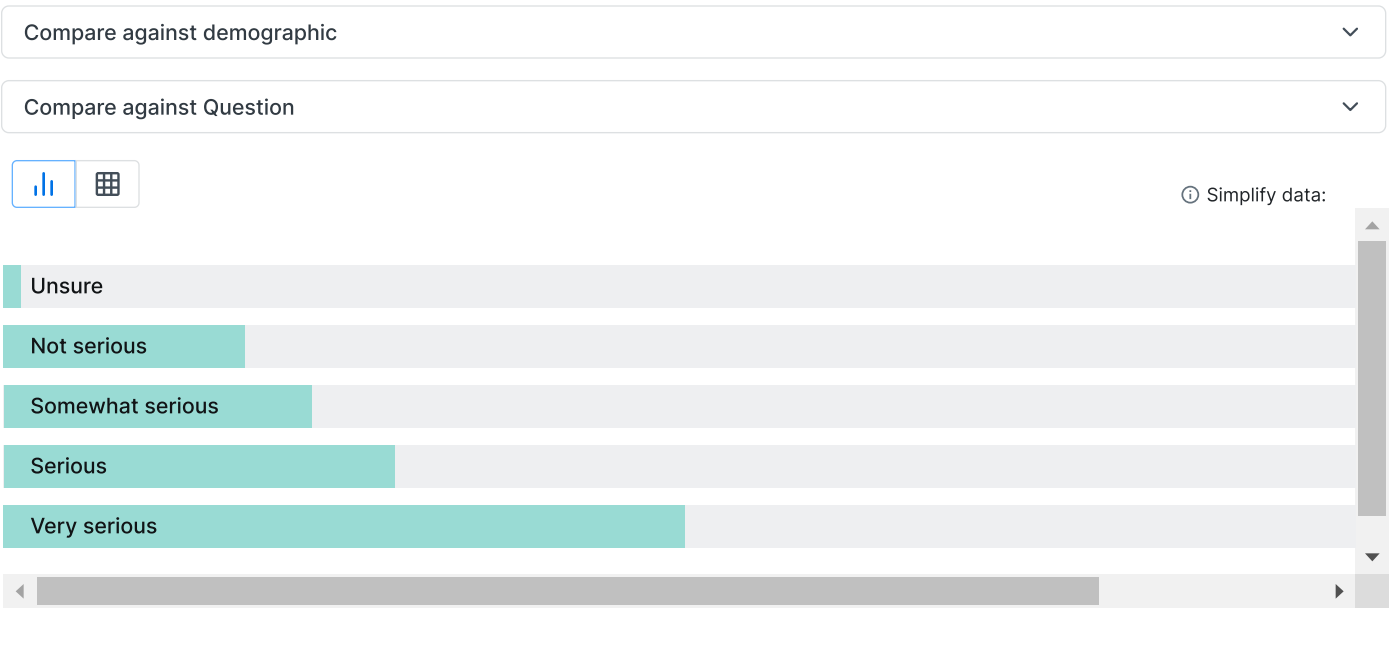

6 Was the person injured you or someone else in your household?

Multiple Choice Responses: 197

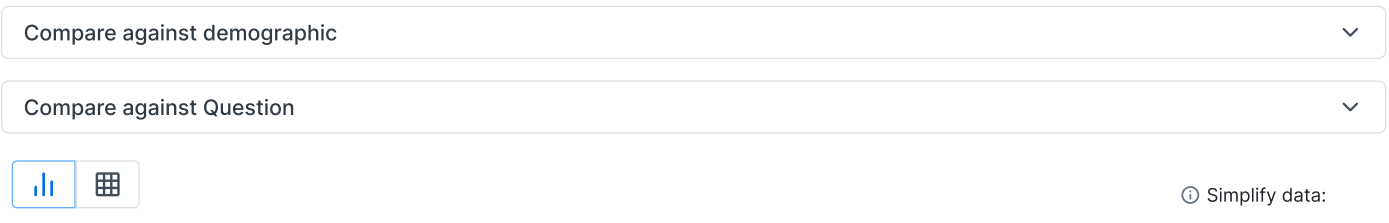

Compare against demographic

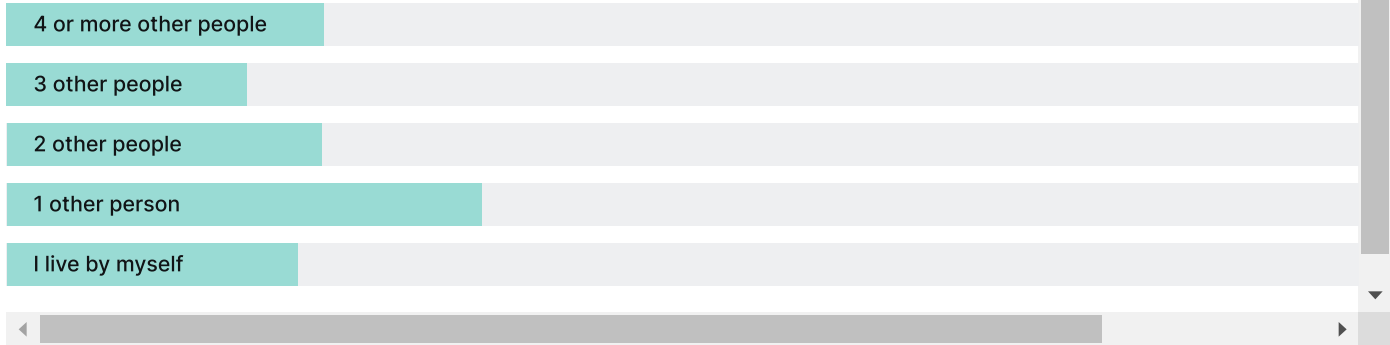

7 How serious do you consider the COVID-19 vaccine injury?
Multiple Choice Responses: 197

8 Besides yourself, how many people live in your household?
Multiple Choice Responses: 1001

9 Thinking of all the other people that live in your household, how many received any number of COVID-19 vaccinations?

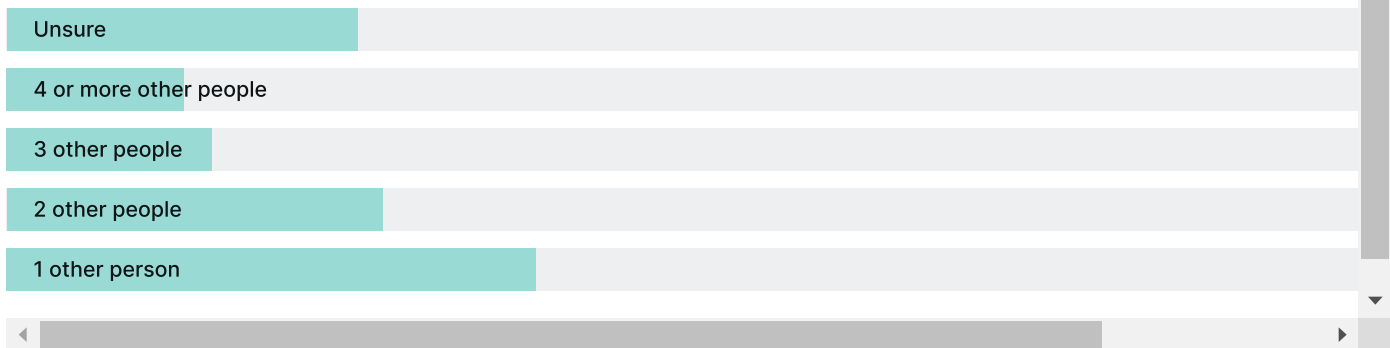

Multiple Choice Responses: 823

Compare against demographic

Compare against Question

Simplify data:

10 We are trying to understand all-cause mortality since 2021, and in order to do so we need to understand death rates, as tragic a topic as that is. With that in mind, has anyone in your household died OF ANY cause since January of 2021?

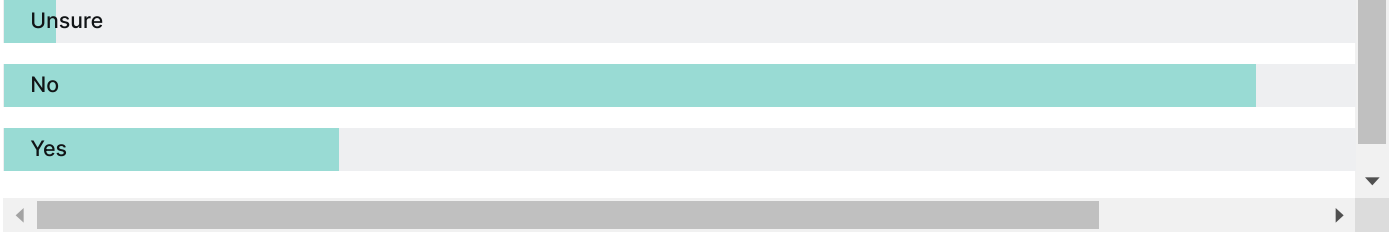

Multiple Choice Responses: 823

Compare against demographic

Compare against Question

Simplify data:

11 We are very sorry to hear about your loss. Bearing in mind our need to understand all-cause mortality, to the best of your knowledge did the person die of any of the following? Please select the response that is most appropriate:

Multiple Choice Responses: 194

Compare against demographic

Compare against Question

Simplify data:

12 Thinking of the person in your household who died, do you know whether they were vaccinated for COVID-19 before their death?

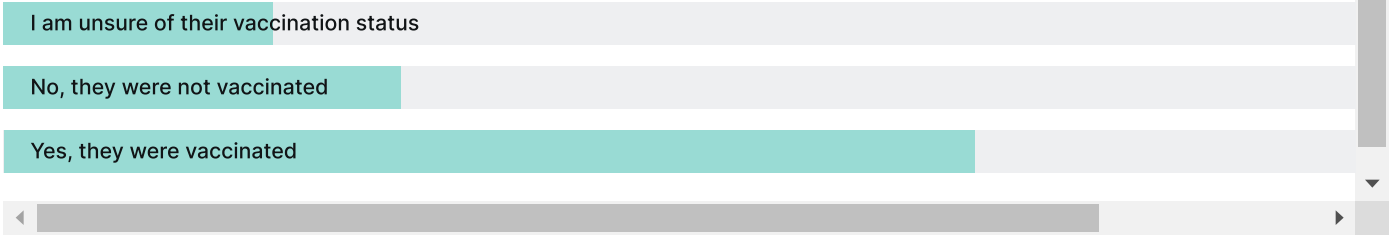

Multiple Choice Responses: 194

Compare against demographic

Compare against Question

ⓘ Simplify data:

13 Do you think the death was caused by the COVID-19 vaccine?

Multiple Choice Responses: 194

Compare against demographic

Compare against Question

ⓘ Simplify data:

14 How old was that person at the time of death?

Multiple Choice Responses: 194
